

# HI HAT

LEVEL 1

## Benefits

Easy

Add Flavor and Groove to your beats

## Control

Tongue and Teeth

## Steps

1

Say t without vocalizing

## Problems & solutions

1

Airy

Press your tongue right behind your two front teeth and roof of your mouth to keep it tight and sharp

2

Not sharp enough

Shape your mouth into an 'f' shape. This helps filter the air flow while you do the 't'

## Direction

Play with your hi hats till they sound sharp, tight and less human so you sound like a drum kit!

Learn how to get your Kick strong and powerful to contrast with the light sound of the hi hat

## Pro Tips

Open Hi hat
